HOMEMADE SKEE BALL

STEP 1

RESOURCES

- Laundry baskets
- Plastic buckets or containers
- Cardboard
- Tape
- Tennis balls or something similar
- Paper and marker

STEP 2 SET UP

- Use a flat piece of cardboard as your ramp. Tape it to the top edge of the first basket.
- Line up your other baskets and containers behind the first basket. Place the smallest ones in the back.

STEP 3 POINTS

- Choose the number or points each container will be worth. Write the points on pieces of paper and tape one to each basket or container.
- The highest points should be for the smaller containers in the back.

STEP 4

PLAY

- Roll balls up the ramp and try to land them in one of the baskets/containers.
- You get 5 rolls to score as many points as possible. Add up your total score.
- Challenge your family. Who can get the highest score?

HIGH

SCORE!
